

Second.—Provided, that the Law Officer may be one of the Assessors or Jury.

Third.—Provided also, that the decision shall be passed by the Judge according to his own opinion, whether he agrees with the Assessors or Jury, or not; if the case be one which under the existing Regulations it is competent to him to dispose of finally. But if he differs from the Assessors or Jury, his decision shall not be carried into effect unless confirmed by the Court of Foujdaree Udalt to which the case shall be immediately referred.

XXXIII. And it is hereby enacted, that it shall be competent to a single Judge of the Foujdaree Udalt on a revision of the proceedings held on any Criminal trial by any Court of inferior jurisdiction, to reverse or alter the sentence or order passed thereon, provided such reversal or alteration be in favor of the accused, whether for acquittal, mitigation of punishment, or otherwise.

XXXIV. And it is hereby enacted, that if a single Judge of the Foujdaree Udalt on a revision of the proceedings in a trial held by a Session Judge, concur in opinion with the Session Judge, whether for conviction or acquittal, it shall be competent to such single Judge to pass a final sentence, except for capital punishment, which as heretofore shall in all cases require the concurrent opinion of two Judges of the Court.

XXXV. And it is hereby enacted, that it shall be competent to the Court of Foujdaree Udalt on a review of the Abstract Statements of Prisoners punished without reference, to mitigate the sentence passed on any prisoner when such sentence may appear on the Session Judge's own shewing of the facts, manifestly illegal or too severe, and it shall not be necessary for the Court to call for the proceedings in such cases, unless they shall see special reasons for so doing. It shall further be competent to the Court in like manner to annul the sentence passed in any case when such sentence may be in opposition to any Law or Regulation in force, and to require the Session Judge to pass a new sentence according to Law.

XXXVI. And it is hereby enacted, in modification of Section II. Regulation III. 1833, that the authority to over-rule judgments passed by Sudder Ameens in Criminal cases shall be vested in the Session Judges.

XXXVII. And it is hereby enacted, that Section XXIV. Regulation X. 1816, Clauses 2 and 3, Section IV. Regulation II. 1822, Clause 2, Section V., and Clauses 2 and 4, Section VIII. Regulation VI. 1827, shall be applicable to Session Judges instead of Judges of Circuit.

XXXVIII. And it is hereby enacted, that prosecutions against Magistrates and their Assistants under Section XLIII. Regulation IX. 1816, shall be instituted in the Zillah Courts established under this Act.

XXXIX. *First.*—And it is hereby enacted, in modification of Section III. Regulation XIII. 1832, that it shall be the duty of the Session Judge to bring to the notice of the Foujdaree Udalt any gross misconduct of any Native Officer of Police which may have come under his observation in a case investigated by himself, or which may have been reported to him by a Subordinate Judge, or Principal Sudder Ameen, and which appears to him to deserve the penalty of dismissal, and it shall be competent to the Foujdaree Udalt to order the dismissal of such Officer.

Second.—Provided, that the Session Judge shall furnish a copy of his Report upon the case to the Magistrate, and the Foujdaree Udalt shall not pass a final order upon it until the answer of the Magistrate, which shall be addressed to that Court, has been received and considered.

XL. And it is hereby enacted, that it shall be the duty of the Sessions Judge to bring to the notice of the Magistrate any minor neglects, or omissions, or transgressions, of the Subordinate Officers of Police which have come under his own observations, or have been reported to him by a Subordinate Judge, or Principal Sudder Ameen, and such notifications shall be recorded in the periodical returns to the Foujdaree Udalt.

XLI. And it is hereby enacted, that it shall be competent to the Session Judge to report to the Foujdaree Udalt any neglect or delay on the part of the Magistrate, or the Subordinate Officers of the Magistracy, by which the course of justice has been seriously impeded in cases before himself, or which have been reported to him by a Subordinate Judge, or Principal Sudder Ameen.

XLII. And it is hereby enacted, that it shall be competent to the Session Judges, Subordinate Judges, and Principal Sudder Ameens, to communicate directly with the District Officers of Police for the purpose of obtaining all the evidence that appears to be forthcoming in cases in which prisoners have been forwarded by them charged with crimes and misdemeanors, Section LV. Regulation XI. 1816 notwithstanding.

XLIII. And it is hereby enacted, that except as provided in Section XLVII. of this Act, Europeans and Americans charged with offences not punishable by the Magistrate, committed within the local jurisdiction of a Principal Sudder Ameen, shall be sent for trial to the Session Judge, who shall proceed thereon in conformity with the rules applicable to his own Court, or to Courts constituted according to Regulation II. of 1827, as the case may require.

XLIV. And it is hereby enacted, that in any Zillah, in which the Governor in Council of Fort St. George deems it expedient to establish the Zillah Court, and the Court or Courts under Subordinate Judges, or Principal Sudder Ameens, at separate stations, it shall be competent to the said Governor in Council, by an Order in Council, to authorize the Session Judge to take cognizance of all Criminal cases subject ordinarily to the jurisdiction of the Subordinate Courts, as well as cases subject to his own jurisdiction, which shall be sent to him by the Magistrate or Officers of Police of such Talooks as shall be therein indicated, and to dispose of such cases according to the rules applicable to them respectively.

XLV. And it is hereby enacted, that in any Zillah in which the Governor in Council of Fort St. George deems it unnecessary to establish a Subordinate Civil and Criminal Court, constituted according to Regulations I. and II. or Regulations VII. and VIII. 1827, it shall be competent to the said Governor in Council, by an Order in Council, to authorize the Civil and Session Judge to exercise the Civil and Criminal Jurisdiction assigned to such Courts, besides the proper Civil and Criminal jurisdiction of the Zillah Court, and to take cognizance immediately of Criminal cases, within his proper jurisdiction as Session Judge, as they are sent up by the Police and Magistracy.

XLVI. And it is hereby enacted, that when the said Governor in Council deems it proper to establish in any such Zillah a Court under a Sudder Ameen at a detached station, it shall be competent to the Governor in Council to authorise the Sudder Ameen to receive and dispose of Civil Suits arising in the portion of the Zillah over which jurisdiction shall be assigned to him, without the intervention of the Zillah Judge, under the limitation as to amount or value prescribed by the existing Regulations: and also to receive and dispose of Criminal cases sent to him by the Police and Magistracy of the division subject to his jurisdiction, for which the punishment prescribed shall not exceed the limitation specified in Section VII. Regulation X. of 1816.

XLVII. And it is hereby enacted, that whenever the Governor in Council of Fort St. George shall establish a Court under a European Principal Sudder Ameen at Cochin, such Principal Sudder Ameen shall exercise within the jurisdiction assigned to him all the powers of a Criminal Court constituted according to Regulation II. of 1827, and also all the powers of a Joint Magistrate.

XLVIII. And it is hereby enacted, that when the Subordinate Criminal Court at the Station of a Zillah Court is constituted according to Regulation VIII. of 1827, the Zillah Jail shall be under the charge of the Session Judge.

XLIX. And it is hereby enacted, that when the Subordinate Criminal Court at the Station of the Zillah Court is constituted according to Regulation II. of 1827, the Zillah Jail shall be under the charge of the Judge of the Subordinate Criminal Court, and the Session Judge shall be vested with authority to visit the Jail, and to pass orders according to Section XXXII. Regulation VII. of 1802, and Section VII. Regulation X. 1832.

L. And it is hereby enacted, that the Subordinate Officers and Vakeels, who shall be appointed to the Zillah Courts established under this Act, shall be subject to the same rules as are applicable to the Subordinate Officers and Vakeels of the Provincial Courts of Appeal.

LI. And it is hereby enacted, that the Governor in Council of Fort St. George shall direct what Law Officers shall be appointed to the Zillah Courts established under this Act, and shall order the manner of their appointment, and such Officers shall be subject to the same rules as the Law Officers of the Provincial Courts of Appeal.

LII. And it is hereby enacted, that the Governor in Council of Fort St. George may appoint an Assistant Judge to any Zillah Court, to whom the Judge shall have authority to refer any Appeals which may be depending before him, excepting appeals from the Subordinate Courts constituted according to Regulation I. or Regulation VII. of 1827, and such Assistant Judge shall be empowered to try and dispose of cases so referred to him under the rules applicable to the Judge.

LIII. And it is hereby enacted, that it shall be lawful for the Governor General in Council, by an Order in Council, to authorize the Governor in Council of Fort St. George at any time to change the Stations of Zillah Courts and the limits of their local jurisdiction, and to abolish any of the Zillah Courts which shall be first established under this Act, and to establish new Zillah Courts in any parts of the Presidency of Fort Saint George.

LIV. First.—And whereas it is deemed expedient to extend the powers vested in Magistrates by Regulation IX. of 1816,

It is hereby enacted, that the Magistrates be authorized to exercise the powers vested in Criminal Judges by Section VII. Regulation X. of 1816, concurrently with the Subordinate Criminal Courts.

Second.—Provided that in all cases in which Magistrates shall exercise the additional powers hereby vested in them, the form of procedure shall be the same as is required to be observed in the Subordinate Criminal Courts in similar cases, and the same record shall be kept of the trial.

LV. And it is hereby enacted, that in every case in which a Magistrate shall exercise such additional powers an Appeal from his sentence or order may be preferred to the Session Judge within one month, and it shall be competent to the Session Judge upon such an Appeal to annul or alter the sentence or order, provided that he shall not increase the punishment awarded by the Magistrate.

LVI. And it is hereby enacted, that all criminal cases which may be depending at the time of the abolition of the Zillah and Provincial Courts, shall be disposed of by the Courts acquiring jurisdiction over the same in virtue of this Act:—provided, however, that prisoners who may have been committed for trial by the Session Judge in his former Office of Criminal Judge, or Joint Criminal Judge, and who may object to be tried by that Officer, shall be tried by the Session Judge of another Court, or by the Special Commissioner of the Division, or by an Officer specially appointed by Government.

**FORT WILLIAM,
LEGISLATIVE DEPARTMENT,
THE 28TH APRIL, 1843.**

The following Act is passed by the Hon'ble the President of the Council of India in Council on the 28th of April 1843, with the assent of the Right Hon'ble the Governor General of India, which has been read and recorded.

Ordered, that the Act be promulgated for general information.

ACT No. VIII. of 1843.

An Act for disposing of the Original Suits and Appeals depending before the Provincial Courts of Appeal in the Presidency of Fort St. George, the abolition of which is authorized by Act No. VII. of 1843.

Whereas it is necessary that provision should be made for the disposal of Original Suits and Appeals depending before the Provincial Courts of Appeal in the Presidency of Fort St. George, the abolition of which is authorized by Act No. VII. of 1843.

L. It is hereby enacted, that the Governor in Council of Fort St. George be empowered to appoint a Single Judge to hold a Court in place of each of the said Provincial Courts at the Station of such Provincial Court, with a Special Commission to dispose of all Original Suits and Appeals which may be depending before such Court, on the date on which the said Governor in Council shall order the functions of the Provincial Courts to cease.

*II. And it is hereby enacted, that the Judges, who shall be appointed for this purpose, shall be styled respectively, viz.

Special Commissioner for disposing of the causes depending before the late Provincial Court for the (Northern, Southern, Centre or Western) Division.

III. And it is hereby enacted, that every Special Commissioner so appointed, previously to entering upon the execution of the duties of his office, shall take and subscribe the oath prescribed to be taken by Judges of the Provincial Courts of Appeal, before any person who shall be commissioned by the Governor in Council of Fort Saint George to administer it.

IV. And it is hereby enacted, that the Special Commissioners shall transfer the Original Suits on the files of Provincial Courts, in which no proceedings have been held beyond the filing of the pleadings, and exhibits, to the Zillah Courts within whose jurisdiction they would fall respectively if they were commenced *de novo*, and such suits shall be tried and decided by the Judges of such Zillah Courts subject to Appeal to the Sudr Udalut.

V. *First*—And it is hereby enacted, that all other Original Suits, and all Appeals on the file of the Provincial Courts, shall be tried and decided by the Special Commissioners, who shall have the same powers as heretofore have been vested in two or more Judges of such Courts sitting together, subject to the same rules and restrictions, and under the same provisions for Appeals to the Sudr Udalut.

Second—Provided, that in a case of Special Appeal from a Lower Court, if a Special Commissioner differs from the Court from whose decision the Appeal is preferred, he shall not pass a final judgment reversing the decision, but shall record his opinion and transmit the record of the case to the Sudr Udalut, to be laid before a Single Judge of that Court, whose judgment, confirming or reversing the decree appealed against, shall be final.

VI. And it is hereby enacted, that the execution of Decrees of the Special Commissioners, and also of the Provincial Courts for which process was not issued previously to their abolition, shall be committed to the Judge of the Zillah in which the Suit was instituted, or if the Suit was instituted in the Provincial Court, to the Judge to whose jurisdiction the Suit would fall if it were commenced *de novo*. The records of the cases shall be transmitted, together with the Decrees, to the respective Zillah Judges, who shall proceed in the execution of the Decrees in the same manner as if they were passed by themselves, and appeals from their orders shall lie to the Sudr Udalut.

VII. And it is hereby enacted, that the Judges of the Zillah Courts shall proceed in like manner to complete the execution of Decrees of the Provincial Courts under process previously issued, subject to appeal to the Sudr Udalut.

VIII. And it is hereby enacted, that from decisions passed by Zillah Judges, Assistant Judges, and Principal Sudder Ameeris, previously to the abolition of the Provincial Courts, in cases appealable to those Courts, in which the time allowed for appealing shall not have expired at the date of their abolition, an appeal shall lie to the Sudr Udalut, provided that the petition of appeal be presented to the Sudr Udalut or to the Civil Judge

of the Zillah in which the original suit was decided, within one month from the expiration of the period within which it ought to have been presented under the Rules applicable to appeals to the Provincial Courts.

IX. And it is hereby enacted, that it shall be competent to the Governor in Council of Fort Saint George to authorize the appointment of Ministerial Officers and Vakeels of the Courts of the Special Commissioners, who shall be subject to the same Rules as are applicable to the Ministerial Officers and Vakeels of the Provincial Courts.

Dpt. Secy.

The Hon'ble the Deputy Governor of Bengal having observed from the Return for the past month, that notwithstanding the unrestricted authority given for the Embarkation of the Wives

of Emigrants, the actual number of Women embarked still bears a proportion to the men of only 15 per cent, and this proportion being much smaller than that contemplated by Government, I am directed to observe that unless an improvement takes place, His Honor will be obliged to have recourse to some stringent measure, which shall compel those who are engaged in inducing Emigrants to embark to prefer such as are prepared to take their Wives with them.

2d Previously, however, to taking any decisive steps in this matter, the Hon'ble the Deputy Governor directs that you will make the views and intentions of the Government on this point known to the several Agents, and His Honor will in the mean time carefully observe the results from your Monthly Reports.

I have the honor to be,

FORT WILLIAM,
FINANCIAL DEPARTMENT,

17TH MAY, 1843.

The Hon'ble the President in Council, with the concurrence of the Right Hon'ble the Governor General, has revised the Rules published on 29th January 1840, for the grant of leave of absence, and for regulating deductions from Salaries, and Deputation Allowances. The following Rules will have effect from this date for regulating Deputation Allowances, and the terms on which leave of absence will be given to persons situated within the limits of the respective Presidencies, to which the Applicants are attached.

Sec. VI. (Amended.) Civil Servants absent from their Stations under Medical Certificate, within the limits of their respective Presidencies, shall be entitled to the Salaries of their Offices for the period of two years, subject to a deduction of $\frac{1}{3}$ d for the whole term of such absence, save and excepted that for the first year, if the Salary be not more than 500 Rupees per mensem, no deduction shall be made, and if it be only so much more than 500 Rupees that the prescribed deduction of $\frac{1}{3}$ d would reduce the allowance below that sum, only the excess beyond Rs. 500 shall be deducted, but for the second year, the full deduction shall be in force. An absent servant, whether Civil

or Military, shall in no case retain any Civil Office or employment, nor be permitted to draw any portion of official Salary for a longer period than two years, but a Civil Servant who may, on account of sickness duly certified, obtain an extension of leave beyond two years shall, if his period of actual residence be less than 12 years, be allowed to draw the second rate of subsistence allowance, and if the period of such actual residence be 12 years, the highest rate of subsistence allowance, but if he continue absent in disobedience of an order to return, or without sufficient cause shown, that allowance also shall be forfeited. The period of absence shall be computed from the date of his quitting his Station to the date of his return thereto.

Sec. XI. (Amended.) The Government of each Presidency may grant to Civil or Military Servants holding Civil appointments leave of absence for one month in each year without deduction from the Salaries and Emoluments drawn by such Servants. Such leave however will only be granted when the Government is satisfied that no inconvenience or expense will arise from the departure of the Officer seeking it. No second leave can be granted under this rule until the completion of eleven months from the expiration of the last leave.

Sec. XII. (Amended.) The Government of each Presidency may, on sufficient cause being shown, grant to a Civil or Military Officer holding a Civil Office special leave of absence on private affairs. Provided however that if any Officer to whom such leave shall be granted shall be absent from his Station for any period exceeding that to which under the last rule he may be entitled without deduction, the Absentee if a Civil Servant shall for the period in excess draw no more than one-half of his Salary and Allowances, and if a Military Officer only so much of the Salary and Allowances of any Civil Office to which he may stand appointed as added to the Military Pay and Allowances which he may be entitled to draw shall equal one-half of his entire Military and Civil emoluments. After an absence of three months (exclusive of any period which may be granted under Sec. XI) any Office held by the Absentee shall become vacant.

Sec. XIII. is rescinded.

Sec. XVIII. (Amended.) The sum of Company's Rupees 52,200 per annum, having been fixed under the orders of the Court of Directors as the Maximum Salary of Civil Office for the Officers of Government under the situation of Member of Council—Civil and Military Servants holding Office in the Political De-

partment, who may draw larger Allowances than

Note.—This rule will equally apply in case of a Political Resident taking a leave of one month for which in other cases he would suffer no deduction.—The excess above the maximum monthly salary will in that case be enjoyed by the person in charge.

performing the duties to meet the necessary expenses of his position.

Note. — Military persons acting for other Military persons holding Civil Office, will, as in the case of Staff, draw half the difference between the incumbent's Military Allowances and the consolidated Civil Salary as at present, that is, will draw the amount retrenched from the Absentee, but when acting for a Civil Servant they will draw at the rates and under the same rules as Civil Servants.

To Civil Servants not holding any substantive Appointment.

At the rate of 25 per Cent. on the Monthly Salary of the appointment officiated in, such Deputation Allowance being in addition to the Subsistence Allowance of their respective ranks.

To Civil Servants holding an Office of inferior emolument when Officiating for a Superior.

At the rate of 10 per Cent. upon the monthly Salary of the appointment officiated in, in all cases in which the Salary of such appointment shall not exceed Co.'s Rs. 2,000 per mensem, and in respect to all appointments of which the Salary shall be more than Co.'s Rs. 2,000 per mensem, at the rate of 10 per Cent. upon Co.'s Rs. 2,000, and of 5 per Cent. on the amount in which the monthly Salary may exceed Co.'s Rs. 2,000: provided however that no lower rate of Deputation Allowance shall be given than 100 Rs. per mensem.

The Deputation Allowance shall in all cases be in addition to the Salary of the substantive appointment held by the Officer on deputation.

A Civil Servant acting for another shall have no claim to Commission or Fees, where any such sources of emolument exist. These shall be regarded as forming part of the income of the Officer to be relieved, subject to the prescribed deductions.

Sec. XXI. (Amended.) No Subordinate Officer acting for his Principal or for any other person holding a superior appointment in the same Office or Establishment, at the same Station, shall be entitled to any Deputation Allowance until after the expiration of one month, and then the Allowance is not to be drawn in arrears. But a Servant previously out of employment, or who may be deputed to act from a different Station, shall be entitled to Deputation Allowance from the date at which he may enter upon the discharge of the duties to which he has been temporarily appointed.

Section XIX. (Amended.) Deputation Allowances shall be granted to Civil Servants temporarily performing the duties of an Office according to the following rates, and subject to the limitations and conditions hereinafter laid down.

Sec. XXII. (Amended.) Civil Servants, if deputed to act at a distance from the stations where they are employed, or Military Officers holding Civil Office who may be so deputed, or who may be ordered by Government on Special duty, shall be permitted to draw travelling allowances at the rate sanctioned in the case of a first appointment.

Sec. XXIV. (Amended.) The Government of each Presidency may grant to Chaplains and Assistant Chaplains special leave of absence on private affairs, but if such absence shall exceed the period to which the Absentee may be entitled under the following Rule, they shall for the period in excess be subjected to the deduction of one-half of their Allowances, and after an absence of four months all Allowances shall be discontinued.

Sec. XXV. (Amended.) Leave of absence for one month in each year, under the principle sanctioned in Sec. XI, may be granted to Chaplains or Assistant Chaplains by the Bishop of the Diocese, or when the Diocese may be vacant (but not otherwise) by the Archdeacon or other Ecclesiastical functionary performing the duties of an Archdeacon or Commissary: and such leave being consistent with the rule will be recognized by the Civil Auditor after it has been published in the Government Gazette of the Presidency with the authority of Government. Information of every leave so granted by the Bishop or other Ecclesiastical Officer above mentioned, shall be immediately transmitted to the proper Secretary to Government for the purpose of notification in the Gazette.

Section XXVI. is rescinded.

Section XXVIII. (Amended.) The Mint Master, the Assay Master and Deputy or Assistant Assay Master of any Mint in India may obtain leave of absence under Sick Certificate, or on private affairs, subject to the conditions in the Rules forming Chapters I. to V. The Absentee if in the enjoyment of any Military pay or allowance shall, during his absence, be subject to the deductions prescribed in the case of Military Officers holding Civil employments. If not a Military Officer, the Absentee shall be subject to the same deductions as a Civil Servant under similar circumstances, but no Officer of the Mint or Assay Department can be permitted to draw any portion of Salary for a longer period than two years, if absent under Sick Certificate, nor for a longer period than four months if absent on private affairs.

The Rules published on the 29th of January 1840, not affected by the above alterations, remain in force.

VI. And it is hereby enacted, that in every Zillah in which there is a subordinate Court constituted according to Regulation VII. of 1827, the Zillah Court shall take cognizance of the Appeals which by Section VIII. of that Regulation are reserved from the jurisdiction of such Court.

VII. *First.*—And it is hereby enacted, in modification of Section IX. Regulation VII. of 1827, that in all cases, in which a Principal Sudder Ameen has occasion to call upon a Collector, Subordinate Collector, or Assistant Collector, or other European Officer of Government, to do any thing in any matter before his Court, he shall transmit to such Officer an Extract from the Proceedings of the Court containing a brief Abstract of the case, and specifying what is required to be done by him, with a request that he will comply therewith, and that he will return an answer stating what he has done within a certain time, and such Officer shall comply with the requisition so conveyed to him, in the same manner as if it had been accompanied by a precept from the Zillah Judge.

Second.—Provided, that if such Officer does not comply with such requisition the Principal Sudder Ameen shall report the case to the Zillah Judge, who shall proceed thereon as if the requisition had been made by a precept from himself.

VIII. *First.*—And it is hereby enacted, that Appeals shall lie to the Zillah Court from all decrees or orders of Subordinate Civil Courts constituted according to Regulations I. and VII. of 1827, and of Sudder Ameens and District Moonsiffs, in cases in which Appeals are now allowable,

but such Appeals must be preferred within the period of 30 days, to be calculated as prescribed in the existing Regulations.

Second.—Provided, that whenever a Court constituted according to Regulation I. of 1827, or according to Regulation VII. of 1827, is established in any Zillah at a place remote from the station of the Zillah Court, the Sudr Udalut, with the sanction of the Governor in Council, may order Appeals from the decisions and orders of District Moonsiffs stationed within the limits assigned to such Court, to be preferred to such Court. But it shall be competent to the Zillah Judge, at his discretion, to call up to his own Court, from time to time, Appeals received by any such Court, and to dispose of them himself.

Third.—Provided also, that the Judge of any Zillah Court may refer to any Subordinate Judge or Principal Sudder Ameen in the Zillah, any Appeals from District Moonsiffs which may be filed in the Zillah Court.

Fourth.—Provided also, that if any such Appeal from a decision or order of a District Moonsiff, which may have been under this Section referred for decision, or preferred in the first instance, to a Subordinate Judge or Principal Sudder Ameen, be dismissed without any decision being come to on its merits, it shall be competent to the party aggrieved by such order of dismissal to prefer a Summary Appeal from it to the Judge of the Zillah, and it shall be the duty of the said Zillah Judge to hold such proceeding on such Summary Appeal as he may consider proper; and, having satisfied himself that the order dismissing the Appeal has been passed without sufficient cause being shewn for such dismissal, it shall be competent for such Zillah Judge to issue his Precept to the Court by which the Appeal may have been dismissed, requiring that the Appeal shall be again admitted on the file, and a decision passed upon it after mature consideration of its merits.

IX. And it is hereby enacted, that Appeals, Regular, and Summary, from decisions and orders of the Zillah Courts, shall lie to the Sudr Udalut, under the same rules and restrictions as are applicable to similar Appeals to the Sudr Udalut from the Provincial Courts of Appeal.

X. First.—And it is hereby enacted, that it shall be competent to a single Judge of the Sudr Udalut to hold a sitting of Court on all matters within the cognizance of that Court, and to pass orders or judgments in conformity to the Regulations, subject to the following provisions.

Second.—On the hearing of any Appeal from the decision or order of any Court of inferior jurisdiction, in any case, regular or miscellaneous, if a single Judge of the Sudr Udalut shall be of opinion that no sufficient ground has been shewn to impugn the correctness or justness of such decision or order, it shall be competent to such single Judge, without reference to the order of the file, to confirm the same without requiring the attendance of the opposite party, and with or without a revision of the whole proceedings, as the nature of the case may appear to require, and to communicate the order of confirmation, through the Court from whose judgment the Appeal was made, to the opposite party, with a view to enable such party to take immediate measures for the execution of the decree. On the other hand, if a single Judge shall be of opinion that the decision or order appealed against ought to be altered, or reversed, as being manifestly unjust or at variance with some Regulation in force, or in opposition to

the Hindoo or Mahomedan Law or other Law applicable to the case, or as having been passed without sufficient investigation of the merits, or grounded on an assumption obviously erroneous, or irrelevant with reference to the points at issue, it shall likewise be competent to a single Judge to issue an injunction pointing out the irregularity, illegality, or other defect, apparent in the proceedings, decision, or order, appealed against, and requiring that the Court by which the same may have been held, or passed, shall revise the case, and proceed thereon in such manner as may appear conformable to justice and to the Regulations.

Third.—A single Judge of the Sudr Udalut may exercise his discretion in calling for the proceedings of the Lower Courts, or such parts of them as may appear necessary, and may further order a report in English, or in the Vernacular language commonly used in the Court, as the occasion may render advisable, on any points requiring explanation, prior to passing a determination on the case or matter in Appeal.

Fourth.—It shall further be competent to a single Judge to direct, that the execution of any judgment or order passed by any inferior Court, in all cases in which that measure may appear to him expedient, may be stayed until a final decision has been passed thereon.

XI. And it is hereby enacted, that the provisions of Clause 2d, of the foregoing Section, shall be applicable to the Judges of Zillah Courts, and to Subordinate Judges and Principal Sudder Ameens.

XII. And it is hereby enacted, that any provisions of the existing Regulations which require inferior Courts to furnish the Sudr Udalut with translations of papers written in the Vernacular languages of the country, which they may transmit to that Court in Appeals and other cases, be recommended.

XIII. And it is hereby enacted, in modification of Sections XIII. and XIV. Regulation V. of 1802, that all processes and orders therein described which may issue from the Sudr Udalut, shall be directed to the Zillah Courts established under this Act.

XIV. And it is hereby enacted, that it shall be competent to the Judges of the Zillah Courts to refer the execution of decrees of the Sudr Udalut, and of their own Courts, to the Subordinate Judges, or Principal Sudder Ameens of their Zillahs, respectively, who shall proceed therein under the rules prescribed in the general Regulations applicable to such cases, provided that an Appeal shall lie from any order passed by a Subordinate Judge, or Principal Sudder Ameen, under such reference, to the Zillah Court in the first instance, and secondly a Special Appeal to the Sudr Udalut.

XV. And it is hereby enacted, that all other processes issued by the Sudr Udalut and directed to the Zillah Court, or originating in the Zillah Court, shall be served under the orders of the Zillah Judge by the proper Officers of the Court.

XVI. And it is hereby enacted, in modification of Section VI. Regulation III. 1833, that the power of suspending Sudder Ameens from Office, thereby vested in the Zillah, Assistant, and Native Judges, shall for the future be vested in the Judges of Zillah Courts established under the Act.

XVII. First.—And it is hereby enacted, that all parts of Regulations VI. and VII. 1816, in which the Zillah Judge is mentioned, shall be understood as applicable to the Judges of the Zillah

Courts established under this Act, excepting Section LVI. Regulation VI. 1816, which shall be applicable to the Subordinate Judges and Principal Sudder Ameens, as extended by Section V. Regulation III. of 1831. And all parts of Regulation VI. of 1816 in which the Provincial Court is mentioned, shall be understood as applicable to the Sadr Udahit.

Second.—Provided, that District Moonsiffs may be employed by Subordinate Judges and Principal Sudder Ameens, as well as by Judges of Zillah Courts, in the manner and for the purposes specified in Sections LX. and LXI. Regulation VI. 1816.

XXIII. And it is hereby enacted, that when a Zillah Judge sees reasons for calling up under Section LIV. Regulation VI. 1816, any cause that may be depending before a District Moonsiff, he may refer it for trial to the Subordinate Judge, or Principal Sudder Ameen, of the Zillah, or to a Sudder Ameen, or another District Moonsiff.

XXIX. And it is hereby enacted, that when a District Moonsiff shall forward to a Zillah Judge under Clause 2d, Section III. Regulation I. 1829, a Suit instituted in his Court, in which he is directly or indirectly a party, or otherwise personally interested, the Judge may refer it for trial either to a Sudder Ameen, or another District Moonsiff.

XX. And it is hereby enacted, that the Judges of Zillah Courts may refer to the Subordinate Judges, and Principal Sudder Ameens, applications for the executions of decisions of District Panchayets preferred under Section XVII. Regulation VII. 1816.

XXI. And it is hereby enacted, that it shall be competent to Judges of Zillah Courts to pass orders of their own authority on complaints preferred under Section XI. Regulation VII. 1816, according to Clause 4 thereof.

XXII. And it is hereby enacted, that the Zillah Judge shall be competent to receive and pass orders of his own authority on complaints preferred under Section XXVII. Regulation VII. 1832.

XXIII. And it is hereby enacted, that Civil Actions and Criminal prosecutions under Clauses 1 and 2, Section VIII. Regulation VI. 1816, with respect to District Moonsiffs, and as extended by Section XIII. Regulation VIII. 1816, with respect to Sudder Ameens, shall be brought before the Zillah Courts established under this Act.

XXIV. And it is hereby enacted, that Section III. Regulation VIII. 1816, be rescinded.

XXV. And it is hereby enacted, in modification of Section XIV. Regulation VIII. 1816, that Sudder Ameens shall have authority to order execution of the decisions passed by them, according to the rules for the execution of decrees applicable to the Courts to which they are attached, and to issue all process relative to the causes and proceedings before them under their own official seal and signature, and to realize fines imposed by them without reference to any Superior Officer.

XXVI. And it is hereby enacted, that the Judges of the Zillah Courts established under this Act shall exercise within the limits assigned to those Courts respectively, the same Criminal jurisdiction as is now exercised by the Judges of the Courts of Circuit; and shall be vested with the same authority, and subject to the same rules and restrictions, as far as they are applicable and consistent with this Act.

XXVII. And it is hereby enacted, that the said Judges shall hold permanent Sessions in the said Zillah Courts for the trial of all persons accused of crimes and offences now cognizable by the Courts of Circuit, who shall be committed for trial by the Subordinate Judges, or Principal Sudder Ameens, of the Zillahs respectively.

XXVIII. And it is hereby enacted, that Section II. Regulation XIII. 1832, be rescinded.

XXIX. And it is hereby enacted, in modifications of Clauses 1st and 3d, Section IX. Regulation X. of 1816, that if upon a perusal of the depositions given before the Magistrate, or any competent Officer of Police, it shall appear to the Subordinate Judge, or Principal Sudder Ameen, before whom a prisoner is brought charged with a crime or misdemeanor subject to the jurisdiction of the Judge of the Zillah Court of Session, that there is evidence of the prisoner being concerned in the perpetration of the crime or misdemeanor with which he is charged, and if the deponents confirm their depositions on oath before him, it shall be competent to the Subordinate Judge, or Principal Sudder Ameen, without further investigation, to commit the prisoner to take his trial before the Session Judge.

XXX. And it is hereby enacted, that the Session Judge shall commence the trial immediately, and shall take the examination of the prosecutor and of the witnesses for the prosecution, and the defence of the prisoner, and the examinations of the witnesses for the defence, and if more witnesses have been previously summoned and are expected to attend, or if the Session Judge thinks it necessary after the commencement of the trial to call for further evidence, he shall adjourn the proceedings, permitting the prosecutor and witnesses to return to their houses, unless he shall see special cause to detain them in order to their being confronted with the other witnesses whose attendance is expected.

XXXI. And it is hereby enacted, that except in cases in which the Session Judge thinks proper to proceed as authorized in Section XXXII. of this Act, the Mahomedan Law Officer attached to the Zillah Court shall sit with the Session Judge for the trial of persons charged with crimes now cognizable by Courts of Circuit, in like manner and subject to the like Regulations as are now applicable to Law Officers sitting with the Courts of Circuit.

XXXII. *First.*—And it is hereby enacted, that it shall be competent to Session Judges in the trial of Criminal cases, to avail themselves at their discretion of the assistance of respectable Natives, or other persons, in either of the two following ways,

First.—By constituting two or more such persons Assessors, or Members of the Court, with a view to the advantages derivable from their observations, particularly in the examination of witnesses. The opinion of each of the Assessors shall be given separately and discussed, and if any of the Assessors, or the authority presiding in the Court, desire it, the opinions of the Assessors shall be recorded in writing.

Or by employing them more nearly as a Jury. They will then attend during the trial, will suggest, as it proceeds, such points of enquiry as occur to them, (the Court, if no objection exists, using every endeavour to procure the required information,) and after consultation will deliver in their verdict. The mode of selecting the Jurors, the number to be employed, and the manner in which their verdict shall be delivered, are left to the discretion of the Judge who presides.

Second.—Provided, that the Law Officer may be one of the Assessors or Jury.

Third.—Provided also, that the decision shall be passed by the Judge according to his own opinion, whether he agrees with the Assessors or Jury, or not, if the case be one which under the existing Regulations it is competent to him to dispose of finally. But if he differs from the Assessors or Jury, his decision shall not be carried into effect unless confirmed by the Court of Foujdaree Udaltut to which the case shall be immediately referred.

XXXIII. And it is hereby enacted, that it shall be competent to a single Judge of the Foujdaree Udaltut on a revision of the proceedings held on any Criminal trial by any Court of inferior jurisdiction, to reverse or alter the sentence or order passed thereon, provided such reversal or alteration be in favor of the accused, whether for acquittal, mitigation of punishment, or otherwise.

XXXIV. And it is hereby enacted, that if a single Judge of the Foujdaree Udaltut on a revision of the proceedings in a trial held by a Session Judge, concur in opinion with the Session Judge, whether for conviction or acquittal, it shall be competent to such single Judge to pass a final sentence, except for capital punishment, which heretofore shall in all cases require the concurrent opinion of two Judges of the Court.

XXXV. And it is hereby enacted, that it shall be competent to the Court of Foujdaree Udaltut on a review of the Abstract Statements of Prisoners punished without reference, to mitigate the sentence passed on any prisoner when such sentence may appear on the Session Judge's own shewing of the facts, manifestly illegal or too severe, and it shall not be necessary for the Court to call for the proceedings in such cases, unless they shall see special reasons for so doing. It shall further be competent to the Court in like manner to annul the sentence passed in any case when such sentence may be in opposition to any Law or Regulation in force, and to require the Session Judge to pass a new sentence according to Law.

XXXVI. And it is hereby enacted, in modification of Section II. Regulation III. 1833, that the authority to over-rule judgments passed by Sudder Ameens in Criminal cases shall be vested in the Session Judges.

XXXVII. And it is hereby enacted, that Section XXIV. Regulation X. 1816, Clauses 2 and 3, Section IV. Regulation II. 1822, Clause 2, Section V., and Clauses 2 and 4, Section VIII. Regulation VI. 1827, shall be applicable to Session Judges instead of Judges of Circuit.

XXXVIII. And it is hereby enacted, that prosecutions against Magistrates and their Assistants under Section XLIII. Regulation IX. 1816, shall be instituted in the Zillah Courts established under this Act.

XXXIX. *First.*—And it is hereby enacted, in modification of Section III. Regulation XIII. 1832, that it shall be the duty of the Session Judge to bring to the notice of the Foujdaree Udaltut any gross misconduct of any Native Officer of Police which may have come under his observation in a case investigated by himself, or which may have been reported to him by a Subordinate Judge, or Principal Sudder Ameen, and which appears to him to deserve the penalty of dismissal, and it shall be competent to the Foujdaree Udaltut to order the dismissal of such Officer.

Second.—Provided, that the Session Judge shall furnish a copy of his Report upon the case to the Magistrate, and the Foujdaree Udaltut shall not pass a final order upon it until the answer of the Magistrate, which shall be addressed to that Court, has been received and considered.

XI. And it is hereby enacted, that it shall be the duty of the Sessions Judge to bring to the notice of the Magistrate any minor neglects, or omissions, or transgressions, of the Subordinate Officers of Police which have come under his own observations, or have been reported to him by a Subordinate Judge, or Principal Sudder Ameen, and such notifications shall be recorded in the periodical returns to the Foujdaree Udaltut.

XLI. And it is hereby enacted, that it shall be competent to the Session Judge to report to the Foujdaree Udaltut any neglect or delay on the part of the Magistrate, or the Subordinate Officers of the Magistracy, by which the course of justice has been seriously impeded in cases before himself, or which have been reported to him by a Subordinate Judge, or Principal Sudder Ameen.

XLII. And it is hereby enacted, that it shall be competent to the Session Judges, Subordinate Judges, and Principal Sudder Ameens, to communicate directly with the District Officers of Police for the purpose of obtaining all the evidence that appears to be forthcoming in cases in which prisoners have been forwarded by them charged with crimes and misdemeanors, Section LV. Regulation XI. 1816 notwithstanding.

XLIII. And it is hereby enacted, that except as provided in Section XLVII. of this Act, Europeans and Americans charged with offences not punishable by the Magistrate, committed within the local jurisdiction of a Principal Sudder Ameen, shall be sent for trial to the Session Judge, who shall proceed thereon in conformity with the rules applicable to his own Court, or to Courts constituted according to Regulation II. of 1827, as the case may require.

XLIV. And it is hereby enacted, that in any Zillah, in which the Governor in Council of Fort St. George deems it expedient to establish the Zillah Court, and the Court or Courts under Subordinate Judges, or Principal Sudder Ameens, at separate stations, it shall be competent to the said Governor in Council, by an Order in Council, to authorize the Session Judge to take cognizance of all Criminal cases subject ordinarily to the jurisdiction of the Subordinate Courts, as well as cases subject to his own jurisdiction, which shall be sent to him by the Magistrate or Officers of Police of such Talooks as shall be therein indicated, and to dispose of such cases according to the rules applicable to them respectively.

XLV. And it is hereby enacted, that in any Zillah in which the Governor in Council of Fort St. George deems it unnecessary to establish a Subordinate Civil and Criminal Court, constituted according to Regulations I. and II. or Regulations VII. and VIII. 1827, it shall be competent to the said Governor in Council, by an Order in Council, to authorize the Civil and Session Judge to exercise the Civil and Criminal Jurisdiction assigned to such Courts, besides the proper Civil and Criminal jurisdiction of the Zillah Court, and to take cognizance immediately of Criminal cases, within his proper jurisdiction as Session Judge, as they are sent up by the Police and Magistracy.

XLVI. And it is hereby enacted, that when the said Governor in Council deems it proper to establish in any such Zillah a Court under a Sudder Ameen at a detached station, it shall be competent to the Governor in Council to authorize the Sudder Ameen to receive and dispose of Civil Suits arising in the portion of the Zillah over which jurisdiction shall be assigned to him, without the intervention of the Zillah Judge, under the limitation as to amount or value prescribed by the existing Regulations: and also to receive and dispose of Criminal cases sent to him by the Police and Magistracy of the division subject to his jurisdiction, for which the punishment prescribed shall not exceed the limitation specified in Section VII. Regulation X. of 1816.

XLVII. And it is hereby enacted, that whenever the Governor in Council of Fort St. George shall establish a Court under a European Principal Sudder Ameen at Cochin, such Principal Sudder Ameen shall exercise within the jurisdiction assigned to him all the powers of a Criminal Court constituted according to Regulation II. of 1827, and also all the powers of a Joint Magistrate.

XLVIII. And it is hereby enacted, that when the Subordinate Criminal Court at the Station of a Zillah Court is constituted according to Regulation VIII. of 1827, the Zillah Jail shall be under the charge of the Session Judge.

XLIX. And it is hereby enacted, that when the Subordinate Criminal Court at the Station of the Zillah Court is constituted according to Regulation II. of 1827, the Zillah Jail shall be under the charge of the Judge of the Subordinate Criminal Court, and the Session Judge shall be vested with authority to visit the Jail, and to pass orders according to Section XXXII. Regulation VII. of 1822, and Section VII. Regulation X. 1832.

L. And it is hereby enacted, that the Subordinate Officers and Vakeels, who shall be appointed to the Zillah Courts established under this Act, shall be subject to the same rules as are applicable to the Subordinate Officers and Vakeels of the Provincial Courts of Appeal.

LI. And it is hereby enacted, that the Governor in Council of Fort St. George shall direct what Law Officers shall be appointed to the Zillah Courts established under this Act, and shall order the manner of their appointment, and such Officers shall be subject to the same rules as the Law Officers of the Provincial Courts of Appeal.

LII. And it is hereby enacted, that the Governor in Council of Fort St. George may appoint an Assistant Judge to any Zillah Court, to whom the Judge shall have authority to refer any Appeals which may be depending before him, excepting appeals from the Subordinate Courts constituted according to Regulation I. or Regulation VII. of 1827, and such Assistant Judge shall be empowered to try and dispose of cases so referred to him under the rules applicable to the Judge.

LIII. And it is hereby enacted, that it shall be lawful for the Governor General in Council, by an Order in Council, to authorize the Governor in Council of Fort St. George at any time to change the Stations of Zillah Courts and the limits of their local jurisdiction, and to abolish any of the Zillah Courts which shall be first established under this Act, and to establish new Zillah Courts in any parts of the Presidency of Fort Saint George.

LIV. First.—And whereas it is deemed expedient to extend the powers vested in Magistrates by Regulation IX. of 1816.

It is hereby enacted, that the Magistrates be authorized to exercise the powers vested in Criminal Judges by Section VII. Regulation X. of 1816, concurrently with the Subordinate Criminal Courts.

Second.—Provided that in all cases in which Magistrates shall exercise the additional powers hereby vested in them, the form of procedure shall be the same as is required to be observed in the Subordinate Criminal Courts in similar cases, and the same record shall be kept of the trial.

LV. And it is hereby enacted, that in every case in which a Magistrate shall exercise such additional powers an Appeal from his sentence or order may be preferred to the Session Judge within one month, and it shall be competent to the Session Judge upon such an Appeal to annul or alter the sentence or order, provided that he shall not increase the punishment awarded by the Magistrate.

LVI. And it is hereby enacted, that all criminal cases which may be depending at the time of the abolition of the Zillah and Provincial Courts, shall be disposed of by the Courts acquiring jurisdiction over the same in virtue of this Act:—provided, however, that prisoners who may have been committed for trial by the Session Judge in his former Office of Criminal Judge, or Joint Criminal Judge, and who may object to be tried by that Officer, shall be tried by the Session Judge of another Court, or by the Special Commissioner of the Division, or by an Officer specially appointed by Government.

VI. And it is hereby enacted, that the execution of Decrees of the Special Commissioners, and also of the Provincial Courts for which process was not issued previously to their abolition, shall be committed to the Judge of the Zillah in which the Suit was instituted, or if the Suit was instituted in the Provincial Court, to the Judge to whose jurisdiction the Suit would fall if it were commenced *de novo*. The records of the cases shall be transmitted, together with the Decrees, to the respective Zillah Judges, who shall proceed in the execution of the Decrees in the same manner as if they were passed by themselves, and appeals from their orders shall lie to the Sudr Udalut.

VII. And it is hereby enacted, that the Judges of the Zillah Courts shall proceed in the same manner to complete the execution of Decrees of the Provincial Courts under process previously issued, subject to appeal to the Sudr Udalut.

VIII. And it is hereby enacted, that from decisions passed by Zillah Judges, Assistant Judges, and Principal Sudder Ameen, previously to the abolition of the Provincial Courts, in cases ap-

IX. And it is hereby enacted, that it shall be competent to the Governor in Council of Fort Saint George to authorize the appointment of Ministerial Officers and Vakils of the Courts of the Special Commissioners, who shall be subject to the same Rules as are applicable to the Ministerial Officers and Vakils of the Provincial Courts.

Second.—Letters and Newspapers addressed to France as well as those to other foreign countries with which France is the channel of communication (if the latter are expressly directed to be so sent) will be made up in Packets and sent to the

French Post Master at Marseilles; but Letters for Foreign Countries, other than France, if not specially directed to France, will be included in the Packets for England. Letters, &c. for places lying between Bombay and Marseilles, will be despatched in separate Packets.

FORT WILLIAM,
FINANCIAL DEPARTMENT,
17th MAY, 1843.

The Hon'ble the President in Council, with the con-
currence of the Right Hon'ble the Governor General,
has revised the Rules published on 29th January 1840,
for the grant of leave of absence, and for regulating
deductions from Salaries, and Deputation Allowances.
The following Rules will have effect from this date
for regulating Deputation Allowances, and the terms on
which leave of absence will be given to places situated
within the limits of the respective Presidencies, to
which the Applicants are attached.

Sec. VI. (Amended.) Civil Servants absent from
their Stations under Medical Certificate, within the
limits of their respective Presidencies, shall be entitled
to the Salaries of their Offices for the period of two
years, subject to a deduction of 3d for the whole
term of such absence, save and excepted that for the
first year, if the Salary be not more than 500 Rupees
per mensem, no deduction shall be made, and if it be

only so much more than 500 Rupees that the prescribed deduction of $\frac{1}{3}$ would reduce the allowance below that sum, only the excess beyond Rs. 500 shall be deducted, but for the second year, the full deduction shall be in force. An absent Servant, whether Civil or Military, shall in no case retain any Civil Office or employment, nor be permitted to draw any portion of official Salary for a longer period than two years, but a Civil Servant who may, on account of sickness duly certified, obtain an extension of leave beyond two years shall, if his period of actual residence be less than 12 years, be allowed to draw the second rate of subsistence allowance, and if the period of such actual residence be 12 years, the highest rate of subsistence allowance, but if he continue absent in disobedience of an order to return, or without sufficient cause shown, that allowance also shall be forfeited. The period of absence shall be computed from the date of his quitting his Station to the date of his return thereto.

Sec. XI. (Amended). The Government of each Presidency may grant to Civil or Military Servants holding Civil appointments leave of absence for one month in each year without deduction from the Salaries and Emoluments drawn by such Servants. Such leave however will only be granted when the Government is satisfied that no inconvenience or expense will arise from the departure of the Officer seeking it. No second leave can be granted under this rule until the completion of eleven months from the expiration of the last leave.

Sec. XII. (Amended.) The Government of each Presidency may, on sufficient cause being shown, grant to a Civil or Military Officer holding a Civil Office special leave of absence on private affairs. Provided however that if any Officer whom such leave shall be granted shall be absent from his Station for any period exceeding that to which under the last rule he may be entitled without deduction, the Absentee if a Civil Servant shall for the period in excess draw no more than one-half of his Salary and Allowances, and if a Military Officer only so much of the Salary and Allowances of any Civil Office to which he may stand appointed as added to the Military Pay and Allowances which he may be entitled to draw shall equal one-half of his entire Military and Civil emoluments. After an absence of three months (exclusive of any period which may be granted under Sec. XI.) any Office held by the Absentee shall become vacant.

Sec. XIII. is rescinded.

Sec. XVIII. (Amended.) The sum of Company's Rupees 52,200 per annum, having been fixed under the orders of the Court of Directors as the Maximum Salary of Civil Office for the Officers of Government under the situation of Member of Council—Civil and Military Servants holding Office in the Political Department, who may draw larger Allowances than

Note.—This rule will equally apply in case of a Political Resident taking a leave of one month for which in other cases he would suffer no deduction.—The excess above the maximum monthly salary will in that case be enjoyed by the person in charge.

performing the duties to meet the necessary expenses of his position.

Section XIX. (Amended.)

Note.—Military Deputation Allowances shall be granted to Civil Servants temporarily performing the

same holding Civil Office, will, as in the case of Staff, draw half the difference between the incumbent's Military Allowances and the consolidated Civil Salary as at present, that is, will draw the amount retrenched from the Absentee, but when acting for a Civil Servant they will draw at the rates and under the same rules as Civil Servants.

duties of an Office according to the following rates, and subject to the limitations and conditions hereinafter laid down.

To Civil Servants not holding any substantive Appointment.

At the rate of 25 per Cent. on the Monthly Salary of the appointment officiated in, such Deputation Allowance being in addition to the Subsistence Allowance of their respective ranks.

To Civil Servants holding an Office of inferior emolument when Officiating for a Superior.

At the rate of 10 per Cent. upon the monthly Salary of the appointment officiated in, in all cases in which the Salary of such appointment shall not exceed Co.'s Rs. 2,000 per mensem, and in respect to all appointments of which the Salary shall be more than Co.'s Rs. 2,000 per mensem, at the rate of 10 per Cent. upon Co.'s Rs. 2,000, and of 5 per Cent. on the amount in which the monthly Salary may exceed Co.'s Rs. 2,000: provided however that no lower rate of Deputation Allowance shall be given than 100 Rs. per mensem.

The Deputation Allowance shall in all cases be in addition to the Salary of the substantive appointment held by the Officer on deputation.

A Civil Servant acting for another shall have no claim to Commission or Fees, where any such sources of emolument exist. These shall be regarded as forming part of the Income of the Officer to be relieved, subject to the prescribed deductions.

Sec. XXI. (Amended.) No Subordinate Officer acting for his Principal or for any other person holding a superior appointment in the same Office or Establishment, at the same Station, shall be entitled to any Deputation Allowance until after the expiration of one month, and then the Allowance is not to be drawn in arrears. But a Servant previously out of employment, or who may be deputed to act from a different Station, shall be entitled to Deputation Allowance from the date at which he may enter upon the discharge of the duties to which he has been temporarily appointed.

Sec. XXII. (Amended.) Civil Servants, if deputed to act at a distance from the stations where they are employed, or Military Officers holding Civil Office who may be so deputed, or who may be ordered by Government on Special duty, shall be permitted to draw travelling allowances at the rate sanctioned in the case of a first appointment.

Sec. XXIV. (Amended.) The Government of each Presidency may grant to Chaplains and Assistant Chaplains special leave of absence on private affairs, but if such absence shall exceed the period to which the Absentees may be entitled under the following Rule, they shall for the period in excess be subjected to the deduction of one-half of their Allowances, and after an absence of four months all Allowances shall be discontinued.

Sec. XXV. (Amended.) Leave of absence for one month in each year, under the principle sanctioned in Sec. XI. may be granted to Chaplains or Assistant Chaplains by the Bishop of the Diocese, or when the Diocese may be vacant (but not otherwise) by the Archdeacon or other Ecclesiastical functionary performing the duties of an Archdeacon or Commensary; and such leave being consistent with the rule will be recognized by the Civil Auditor after it has been published in the *Government Gazette* of the Presidency with the authority of Government. Information of every leave so granted by the Bishop or other Ecclesiastical Officer above mentioned, shall be immediately transmitted to the proper Secretary to Government for the purpose of notification in the *Gazette*.

Section XXVI. is rescinded.

Section XXVIII. (Amended.) The Mint Master, the Assay Master and Deputy or Assistant Assay Master of any Mint in India may obtain leave of absence under Sick Certificate, or on private affairs, subject to the conditions in the Rules forming Chapters I. to V. The Absentee if in the enjoyment of any Military pay or allowance shall, during his absence, be subject to the deductions prescribed in the case of Military Officers holding Civil employments. If not a Military Officer, the Absentee shall be subject to the same deductions as a Civil Servant under similar circumstances, but no Officer of the Mint or Assay Department can be permitted to draw any portion of Salary for a longer period than two years, if absent under Sick Certificate, nor for a longer period than four months if absent on private affairs.

The Rules published on the 29th of January 1840, not affected by the above alterations, remain in force.

GENERAL ORDERS BY THE RIGHT HON'BLE THE GOVERNOR GENERAL
OF INDIA.

AGRA, the 16th May, 1843.

The Governor General has directed the publication of the following letter from His Excellency the Governor of Scinde, with its several enclosures.

The Governor General has much satisfaction in making generally known the able dispositions made by Captain Thomas, of the 8th Bombay native infantry, for the defence of the entrenched camp during the battle near Hyderabad, on the 24th of March.

The Governor General has likewise much satisfaction in making known the names of the officers and men, who have been already reported as specially distinguished in the battle of Hyderabad. The reports from the remaining regiments will be published whenever they may be received.

By order of the Right Honorable the Governor General of India,

J. THOMASON,
Secy. to the Govt of India,
with the Governor General.

From His Excellency the Governor of Scinde,
To the Right Honorable the Governor-General.

Camp, Hyderabad, 17th April, 1843.

MY LORD,

I have the honor to enclose to your Lordship, the reports made by officers commanding regiments, of remarkable actions performed by individuals under their command, in the battle fought on the 24th March.

Also the report of Captain Thomas, of the 8th N. I., of the preparations made by him for the defence of the entrenchments at the Residency, to attack which the enemy had detached five thousand men to Hoosierie, a village hard by, but subsequently he recalled this force to his main body at Dubba. It is right that I should state how much importance attached to the defence of the entrenchments, which there was every reason to believe would be attacked, as also the town of Hyderabad. These two garrisons diminished my force by 1,079 men and two pieces of cannon, and I have to express my sense of the good arrangements and zeal of Major Reid and Captain Thomas, the officers whom (greatly against their own wishes) I ordered to remain in command of these two garrisons.

I have, &c.

(Signed) C. J. NAPIER, Governor.

The great pressure of business prevented my sooner having forwarded these reports.

From Captain A. THOMAS,
Commanding entrenched Camp,
 To the Acting Assistant Adjutant General,
Scinde Field Force.

Camp, Hyderabad, 8th April, 1849.

SIR,

I have the honor to transmit for the information of Major General Sir Charles J. Napier, K. C. B., Governor of Scinde, that on the departure of the force on the morning of the 24th of March, my first care was to assign posts to the officers and men under my command, which was done in the following manner: To Lieutenant Steward, of the 16th grenadiers Bengal N. I., was confided the defence of the left flank of the breast-work; to Lieut. Bosanquet, of the same regiment, the right flank; and Lieutenant Pruett, Bombay artillery, and myself took charge of the front and reserve. The two guns left with me were most judiciously placed *en barbette*, by Lieutenant Pruett, so that in case of attack they would have swept the whole of the works in front, and one entire flank. Two parties of sepoy, consisting of fifty men each, were formed as a reserve and posted fifty paces on each side of the abattis, leading into the Residency compound. The remaining sepoy were placed round the works, at intervals of ten paces distant, in single files, supported by matchlockmen and dismounted horsemen belonging to Meer Ali Morad, under the command of Sirdar Ali Hussein. Each flank abutting on the Indus, was further protected by the *McLaur* and *Nimrod*, armed steamers, which effectually guarded against either of them being turned.

A reserve of fifty horse was posted in rear of the Residency compound equally distant from both flanks, and so as to be able to co-operate where most required. A similar reserve, and for a similar purpose, was posted in the centre of the front of the breast-work. The Khyber horse were divided into two parties and placed one hundred paces in rear of each flank near the river, so that had either flank been turned these men would have been at hand to drive the enemy back without requiring any man behind the breast-work to leave his post.

Forty men of the Scinde horse under a jemadar, defended on foot that part of the breast-work behind which they had encamped.

After posting the men, and seeing that each knew his position so as to fall in his proper place at a moment's warning, half the men were told off as a working party to render the unfinished entrenchments as secure as the limited time allowed us would admit of. By the evening I considered we were perfectly secure, having placed abattis composed of babool trees, wherever we were unable to finish the trench.

Half the men during the day were always at their posts. At sunset every man fell in at his allotted station, and his arms, ammunition, &c., were carefully inspected. During the night sentries were placed at intervals of twenty yards, the entire round of the works the remaining men sleeping in their accoutrements, with the arms loaded by them; the officers doing the same. Outlying pickets of horse were stationed two hundred and fifty yards outside the entrenchment on both flanks and front, who threw out videttes and patrolled at the distance of from one to two miles from the works, each patrol crossing the other every half hour, and a report hourly delivered during the night. These at sun-rise were withdrawn, and smaller parties of horse swept round the camp at four and five miles distance during the day.

These were the arrangements I deemed proper for the defence of the camp, the charge of which I had the honor to be entrusted with by the Major General and Governor in Scinde; and although no attack was made on the camp, still I hope I shall not be deemed presumptuous in declaring that from the zeal and alacrity displayed by both officers and men under my command, there was no fear that, although our numbers were small and the works extensive to defend, had we been attacked we would have endeavoured to emulate the gallant example set us by the troops under the Major General, more particularly after the reinforcement was received under Brevet Captain Unwin, artillery, consisting of forty European artillery men, and two 68-pounder howitzers.

On the morning of the 24th March, we were re-inforced by the Persian Prince Aga Khan, with twenty-five horsemen. He informed me that he had been driven out of Jarrick by three thousand Beloochees, with the loss on his side of one hundred killed and wounded in action, out of one hundred and thirty.

Only on one occasion did I hear of any Beloochees being within four miles of me, and then Sirdar Ali Hussein with eighty horse, was despatched just before daybreak to reconnoitre, with orders to sweep the country for seven or eight miles round. He returned at 10 A. M., and reported that no enemy was to be seen or heard of. This proved to be the case, and with the exception of detached parties on the other side of the river progressing towards the hills, nothing more was heard of the enemy.

On the arrival of the *Planet*, steamer, from Sukkur, Lieutenant McLeod of the 20th regiment N. I., volunteered his services, as also did Lieutenant Pottinger of the 15th regiment N. I., of which I gladly availed myself.

Sirdar Ali Hussein co-operated most assiduously with me, as also did all his people. The Khyber chiefs and their men behaved also very well.

In conclusion, I beg to express my thanks for the assistance I received from the officers during the time I was in command of the entrenched camp.

"I have, &c."

Camp, Allyar-ka-Tanda, 28th March, 1843.

Sir,

In obedience to Division Orders I have the honor to report, for the information of Major General Sir C. J. Napier, K. C. B., Commanding in Sinda and Beloochistan, that I am unable to particularize any individual who prominently distinguished himself in action on the 24th instant. I trust, however, the Major General will not consider me presumptuous in bringing to his notice the steadiness of the regiment when under a very heavy fire close in front of the village on the enemy's right, and where we had the irreparable misfortune of losing a gallant and much esteemed officer, Captain Garrett. In the same place Lieutenant Snow had his horse and shoulder scales struck by matchlock bullets.

The enemy appearing to occupy the village in great force, I did not consider myself justified in leaving the left of our guns exposed, before the order reached me, "cavalry to the front," when I immediately advanced, and came round the village, passing in my way to the Fulailtee, three deep nullahs. We first advanced a short distance to the left, but seeing no enemy, returned, and then went off to the right, and followed up the enemy for about six miles, cutting up all we met, and brought in two camels. The ground was much intersected by numerous deep canals, and I am happy to state the men behaved in a most soldier-like manner; were perfectly obedient to every word of command I gave, and moved steadily in line throughout the whole charge.

I have, &c.

ROLL of Warrant Officers, Non-Commissioned Officers and Troopers, of the 3d Regiment Light Cavalry, who distinguished themselves in the action fought on the 24th instant.

Camp, Allyar-ka-Tanda, 30th March, 1843.

Riding Master Walter.—For gallant conduct in engaging and killing several of four men that attacked him, and capturing one of their horses, his own charger (private property,) being killed in the encounter. He was finally rescued by naick Bhowany Sing, who came to his assistance. Riding Master Walter was acting as Adjutant on that day.

Havildar Gizerat Sing, 3d Troop.—Conspicuous gallantry in singly engaging several men assembled, both on horse-back and on foot, and killing one or more of them.

Naick Bhowany Sing, 6th troop.—Steady and gallant conduct in proceeding to the rescue of Riding Master Walter, who was surrounded by the enemy, and there doing good and essential service.

Trooper Hussain Bux, 6th troop.—Gallant conduct in rushing into the midst of the enemy to the rescue of Subadar Sahabat Khan, who, endeavouring to capture a Standard, had got surrounded by them. He killed several of the enemy on this occasion. He had before distinguished himself, and been wounded in action.

Lance Naik Chunder Sing, 3d Troop.—Fought nobly; after killing two men was knocked off his horse, which was immediately afterwards shot. He then had to fight his way on foot, in doing which it is said, he killed several more.

Sir,

In compliance with Division Orders of the 26th instant, I have the honor to request you will bring to the notice of Major General Sir C. J. Napier, K. C. B., that the conduct of the Poona horse, under my command, on the 24th, in the action with the enemy was such, that it would be invidious in me to notice any of the numerous acts of gallantry performed by the sowars on that occasion. But when all behaved well, I cannot neglect to notice in particular the conduct of duffadar Ahmed Khan, who, throughout the action was ever foremost, and led on the men in a manner which elicited my warmest approbation. This man has already the 3d class Order of Merit, from his having, at the fight at Nufosk, in the Murree Hills, saved (under much peril) his commanding officer's life. He, on the 24th, in my presence cut down three of the enemy, and also saved my life by sabreing the Beloochee, who wounded me in the sword-hand. I consider his conduct as well deserving the favorable notice of the Major General,

Sir,

In reference to Division Orders, calling for the names of officers, non-commissioned and privates, who distinguished themselves in the battle of the 24th instant, I have made every enquiry, and after due consideration, I have great difficulty in being able to make selections of particularly distinguished conduct, on an occasion when great gallantry and forwardness was conspicuous in the regiment. I hope, I am not doing injustice by mentioning the following names: Lieutenant Coote was the first to surmount the enemy's works, and whilst waving a Standard he captured, and giving assistance to a soldier reach the crest of the breast-work, was severely wounded.

Corporal Timothy Kelly shot a man bearing a silver knobbed Standard, and captured it.

Private J. Doherty,
Ditto C. Lynar,
Ditto E. Tobin,
Ditto J. McCartin,
Ditto Thomas Walousley,
Ditto G. Roberts,
Ditto E. Watson,
Ditto J. Oakley,

Each of these men shot the bearer, and captured a Standard.

Camp, near Allypore-Tanda, 28th March, 1843.

Sir,

With reference to Division Orders of the 26th instant, I do myself the honor to report, for the information of Major General Sir C. J. Napier, K. C. B., commanding the troops in Scinde and Beloochistan, that in the general engagement which took place on the 24th instant, Purgas Sing, jemadar of the light company, of the regiment under my command, whilst skirmishing, accompanied by five sepoy of his own company, killed seven of the enemy, and of these sepoy

posed to be a chief, whom the jemadar slew in single combat, and captured his arms. Private Appjee Surosee, of the light company, killed one of the enemy's Standard bearers, capturing his Standard, pursued and killed another of the enemy, in whose possession was a sword belonging to the 3d regiment light cavalry, which he recovered. Private Rugonai Sing, of the 3d company bayonnetted two of the enemy in presence of Captain Tait, commanding the Poona horse; he also bayonnetted two of the enemy, and wounded a third, in presence of some of the Poona horse, which latter circumstance, the men belonging to that corps who witnessed the deeds, especially requested Captain Tait to bring to my notice. Major Waddington also was present.

Camp, Allyar-ka-Tanda, 27th March, 1843.

Sir,

In obedience to Division Orders of yesterday's date, I beg to hand up the names of the undermentioned European commissioned, and non-commissioned officers and men, as follows:—

Lieutenant W. E. Came to the front to support me as I was leading the regiment over the centre ridge in the canal, which formed the enemy's position, and seeing a man, who has, I believe, since been ascertained to be Meer Goolam Ali Talpooree, coming at me, sword in hand, stepped in between and cut him down, in doing which he received a wound on the head, which cut through his pugree, and displaced the metal peak of a horse artillery helmet, and must have killed him, but for this defence, and he also got wounded in the sword-arm.

Naick Sew Umber Was wounded in four or five places, (I have no means of ascertaining Bhut, grenadier com- more exactly, as the man was sent into Hyderabad so soon). Some of the pany. wounds severe, but he would not leave the ranks, setting an example of fearlessness and devotion to his duty, which I hope, may be looked upon favorably. I have promised this man the first vacancy for the third stripe.

Private Oree Gu- Severely wounded in the thigh, but would not leave the ranks, and while zuria, 4th compy. I was requesting him to do so, seeing some heads over the bank, fired his piece, and continued loading and firing till the end of the engagement.

I beg to explain, that the nature of the duty entrusted to the 21st regiment, was such as in a great measure to preclude the possibility of any display of individual courage. The regiment was ordered to reserve its fire till within ten or fifteen paces of the enemy, and not a shot was fired till I gave the word, which I did not do till I got to within from ten to fifteen paces from the canal consequently the whole regiment was able to jump into it at almost the same moment, and advanced in the same order, as much as the nature of the position admitted, the most active getting up the centre ridge first. Officers not being encumbered with a musket and pouch, of course had the advantage; but I can safely say, that none were backward, and I consider it would be invidious to mention the name of any, whom chance, or a superior degree of bodily activity, had enabled to gain a position to which all appeared to aspire equally.

To prove that I was as well supported by my men as I could desire, I hope it may not be considered foreign to the subject to mention, that though attacked by several men, one after the other, I had not occasion once to act in my own defence.

I have, &c.

From Major A. WOODBURN,
Commanding 2d Brigade,

To the Acting Assistant Adjutant General,
Scinde Field Force.

Camp, near Allyar-ka-Tanda, 28th March, 1843.

Sir,

In reference to Division Orders of the 26th instant, calling on commanding officers to forward a statement of acts of gallantry performed by any commissioned, non-commissioned officers, or men, in the action of the 24th instant, I do myself the honor to transmit the only letter on this subject, which I have received in the 2d brigade.

As I was myself partly a witness to an act of courage and good example in the 25th regiment, I beg to be allowed to submit it to the Major General commanding. When this regiment reached the village, the firing of the enemy, though greatly lessened, was still kept up in a very

galling way, from many of the houses. This was particularly the case from a mosque which had been loopholed, and the shots from it knocked over several sepoys. The building was entered by some of the men who were almost immediately driven out by the enemy. On seeing this, Ensign Nixon and Lieutenant Thomson, 25th regiment, instantly rushed into it, sword in hand, and attacked the enemy, eight in number. The former officer cut down three with his own hand, but while so engaged, his life was saved by the latter (Lieutenant Thomson) warding off cuts made at him. The sepoys having, in the mean time got in, disposed of the remaining five. In this affair subadar Hussain Singh, a gallant old native officer, took a prominent part, and had his sword broken in giving point to one of the enemy, and color havildar Hoolass Singh, grenadier company, got a wound in the leg by a sword cut. In addition to these Lieutenant Thomson has mentioned to me, that havildar Ballik Ram Tewarree, 5th; naick Ram Sah Panday, 4th; private Pursaud Maray, 5th; and private Soomur Singh, 5th companies, particularly distinguished themselves by their courageous conduct on the occasion referred to, and all four were wounded in it.

3. In conclusion I can only state that, so far as came under my observation, every officer and man in the 2d brigade did his duty well and truly.

I have, &c.

Offg. Secy. to the Govt. of India.

FORT WILLIAM,
FINANCIAL DEPARTMENT,
17TH MAY, 1843.

The Hon'ble the President in Council, with the concurrence of the Right Hon'ble the Governor General, has revised the Rules published on 29th January 1840, for the grant of leave of absence, and for regulating deductions from Salaries, and Deputation Allowances. The following Rules will have effect from this date for regulating Deputation Allowances, and the terms on which leave of absence will be given to places situated within the limits of the respective Presidencies, to which the Applicants are attached.

Sec. VI. (Amended.) Civil Servants absent from their Stations under Medical Certificate, within the limits of their respective Presidencies, shall be entitled to the Salaries of their Offices for the period of two years, subject to a deduction of $\frac{1}{3}$ d for the whole term of such absence, save and excepted that for the first year, if the Salary be not more than 500 Rupees per mensem, no deduction shall be made, and if it be only so much more than 500 Rupees that the prescribed deduction of $\frac{1}{3}$ d would reduce the allowance below that sum, only the excess beyond Rs. 500 shall be deducted, but for the second year, the full deduction shall be in force. An absent Servant, whether Civil or Military, shall in no case retain any Civil Office or employment, nor be permitted to draw any portion of official Salary for a longer period than two years, but a Civil Servant who may, on account of sickness duly certified, obtain an extension of leave beyond

two years shall, if his period of actual residence be less than 12 years, be allowed to draw the second rate of subsistence allowance, and if the period of such actual residence be 12 years, the highest rate of subsistence allowance, but if he continue absent in disobedience of an order to return, or without sufficient cause shown, that allowance also shall be forfeited. The period of absence shall be computed from the date of his quitting his Station to the date of his return thereto.

Sec. XI. (Amended) The Government of each Presidency may grant to Civil or Military Servants holding Civil appointments leave of absence for one month in each year without deduction from the Salaries and Emoluments drawn by such Servant. Such leave however will only be granted when the Government is satisfied that no inconvenience or expense will arise from the departure of the Officer seeking it. No second leave can be granted under this rule until the completion of eleven months from the expiration of the last leave.

Sec. XII. (Amended) The Government of each Presidency may, on sufficient cause being shown, grant to a Civil or Military Officer holding a Civil Office special leave of absence on private affairs. Provided however that if any Officer to whom such leave shall be granted shall be absent from his Station for any period exceeding that to which under the last rule he may be entitled without deduction, the Absentee if a Civil Servant shall for the period in excess draw no more than one-half of his Salary and Allowances, and if a Military Officer only so much of the Salary and Allowances of any Civil Officer to which he may stand appointed as added to the Military Pay and Allowances which he may be entitled to draw shall equal one-half of his entire Military and Civil emoluments. After an absence of three months (exclusive of any period which may be granted under Sec. XI) any Office held by the Absentee shall become vacant.

Sec. XIII. is reworded.

Sec. XVIII. (Amended) The sum of Company's Rupees 52,200 per annum, having been fixed under the orders of the Court of Directors as the Maximum Salary of Civil Office for the Offices of Government under the situation of Member of Council—Civil and Military Servants holding Office in the Political Department, who may draw larger Allowances than

Note—This rule will equally apply in case of a Subaltern Resident taking a leave of one month for which in other cases he would suffer no deduction.—The excess above the maximum monthly salary will in that case be enjoyed by the person in charge.

performing the duties to meet the necessary expenses of his position.

Note—Military persons acting for other Military persons holding Civil Office, will, as in the case of Staff, draw half the difference between the incumbent's Military Allowances and the consolidated Civil Salary as at present, but it will draw the amount retrenched from the

Section XIX. (Amended) Deputation Allowances shall be granted to Civil Servants temporarily performing the duties of an Officer according to the following rates, and subject to the limitations and conditions hereinafter laid down.

Absentee, but when acting for a Civil Servant they will draw at the rules and under the same rules as Civil Servants.

To Civil Servants not holding any substantive Appointment.

At the rate of 25 per Cent on the Monthly Salary of the appointment officiated in, such Deputation Allowance being in addition to the Subsistence Allowance of their respective ranks.

To Civil Servants holding an Office of inferior emolument when officiating for a Superior.

At the rate of 10 per Cent upon the monthly Salary of the appointment officiated in, in all cases in which the Salary of such appointment shall not exceed Co's Rs. 2,000 per mensem, and in respect to all appointments of which the Salary shall be more than Co's Rs. 2,000 per mensem, at the rate of 10 per Cent upon Co's Rs. 2,000 and of 5 per Cent on the amount which the monthly Salary may exceed Co's Rs. 2,000; provided however that no lower rate of Deputation Allowance shall be given than 100 Rs. per mensem.

The Deputation Allowance shall in all cases be in addition to the Salary of the substantive appointment held by the Officer on deputation.

A Civil Servant acting for another shall have no claim to Commission or Fees, where any such sources of emolument exist. These shall be regarded as forming part of the income of the Officer to be retained, subject to the prescribed deductions.

Sec. XXI. (Amended) No Subordinate Officer acting for his Principal or for any other person holding a superior appointment to the same Office or Establishment in the same Station shall be entitled to any Deputation Allowance until after the expiration of one month, and then the Allowance is not to be drawn in arrears. But a Servant previously out of such duty or who may be ordered to act from a different Station, shall be entitled to Deputation Allowance from the date at which he may be reported in charge of his duties to which he has been temporarily appointed.

Sec. XXII. (Amended) Civil Servants, if deputed to act at a distance from the stations where they are employed, or Military Officers holding Civil Office who may be so deputed, or who may be ordered by Government on special duty, shall be permitted to draw travelling allowances at the rate sanctioned in the case of a first appointment.

Sec. XXIV. (Amended) The Government of each Presidency may grant to Chaplains and Assistant Chaplains special leave of absence on private affairs, but if such absence shall exceed the period to which the Absentees may be entitled under the following Rule, they shall for the period in excess be subjected to the deduction of one-half of their Allowances, and after an absence of four months all Allowances shall be discontinued.

Sec. XXV. (Amended) Leave of absence for one month in each year, under the principle sanctioned in Sec. XI may be granted to Chaplains or Assistant Chaplains by the Bishop of the Diocese, or when the Diocese may be vacant (but not otherwise) by the Archdeacon or other Ecclesiastical functionary performing the duties of an Archdeacon or Commissary; and such leave being consistent with the rule will be recognized by the Civil Auditor after it has been published in the Government Gazette of the Presidency with the authority of Government. Information of every leave so granted by the Bishop or other Ecclesiastical Officer above mentioned, shall be immediately transmitted to the proper Secretary to Government for the purpose of notification in the Gazette.

Section XXVI. is rescinded.

Section XXVIII. (Amended.) The Mint Master, the Assay Master and Deputy or Assistant Assay Master of any Mint in India may obtain leave of absence under Sick Certificate, or on private affairs, subject to the conditions in the Rules forming Chapters I. to V. The Absentee if in the enjoyment of any Military pay or allowance shall, during his absence, be subject to the deductions prescribed in the case of Military Officers holding Civil employments. If not a Military Officer, the Absentee shall be subject to the same deductions as a Civil Servant under similar circumstances, but no Officer of the Mint or Assay Department can be permitted to draw any portion of Salary for a longer period than two years, if absent under Sick Certificate, nor for a longer period than four months if absent on private affairs.

The Rules published on the 29th of January 1810, not affected by the above alterations, remain in force.

OVERLAND LETTERS AND POSTAGE.

IT is hereby notified for general information—

First.—That all Letters and Newspapers, except Soldiers' and Sailors' Letters, intended for transmission by the Overland Mails, and except those specially marked via "Falmouth," will be sent through France, and thus be subject to the heavier rate of postage.

Second.—Letters and Newspapers addressed to France as well as those to other foreign countries with which France is the channel of communication (if the latter are expressly directed to be so sent) will be made up in Packets and sent to the French Post Master at Marseilles; but Letters for Foreign Countries, other than France, if not specially directed to France, will be included in the Packets for England. Letters, &c. for places lying between Bombay and Marseilles, will be despatched in separate Packets.

Third.—Letters for the United Kingdom of Great Britain, weighing less than a quarter of an ounce, and passing through France, are charged single postage, which by that route amounts to 2s. 8d. By the Falmouth route, Letters of half an ounce in weight are subject to single postage only, which by that route, has now been reduced to 1s.

Newspapers, if sent via Falmouth, are free of postage; but if transmitted by the way of Marseilles, they are charged 2d. each.

ACT No. VI. OF 1843.

Passed by the Hon'ble the President of the Council of India in Council, on the 21st of April 1843, with the assent of the Right Hon'ble the Governor General of India.

An Act for amending the Law concerning the jurisdiction and procedure of the Courts of Amceens and Moonsiffs.

I.—In modification of Clause 4, Section 18, Regulation V. of 1831, Bengal Code, it is hereby enacted, that in the trial and decision of all original Suits referred to them by the Judge, the Principal Sudder Amceens shall be guided by the rules established for the conduct of business in the Courts of the Zillah and City Judges.

II.—And it is hereby enacted, that the provisions of Section 4, Act No. XXV. of 1837, in respect to appeals from decisions passed by Principal Sudder Amceens, in Suits of the nature specified therein, be extended to all interlocutory orders passed by those Officers in such Suits.

III.—And it is hereby enacted, that such parts of Regulation XXIII. 1814, as prohibit the Sudder Amceens and Moonsiffs from requiring security from defendants; or from attaching their property in cases pending before them; or from realizing fines imposed by them without first obtaining the sanction of the Zillah Judge, be repealed.

IV.—And it is hereby enacted, that it shall be competent to the Sudder Amceens and Moonsiffs to demand security from the defendant, under the

provisions of Sections 4 and 5, Regulation II. 1806, in cases pending before them; and also to proceed, without reference to the Zillah Judge, to the realization of fines imposed by them, provided that all orders passed by the Sudder Amceens and Moonsiffs under this Section, be subject to an appeal to the Zillah Judge.

V.—And it is hereby enacted, in modification of Section 22, Regulation V. of 1831, that decrees passed in the Courts of the Judges or Principal Sudder Amceens, in cases of appeal from the decisions of the Sudder Amceens or Moonsiffs, shall be executed by the Courts in which the original decisions were passed, under the general rules prescribed for the execution of decrees passed by those Courts—applications for the execution of such decrees shall be presented, together with a certified copy of the decrees of the Judge or Principal Sudder Amcen to the Court of original jurisdiction. In appeals from the orders of the Moonsiff or Sudder Amcen in such cases the decision of the Zillah or City Judge shall be final.

VI.—And it is hereby enacted, that Clause 2, Section 13, Regulation XXIII. 1814, and Clause 4, Section 5, Regulation V. 1831, be repealed.

VII.—And it is hereby enacted, that no person whatever shall, by reason of place of birth, or by reason of descent, be in any Civil proceeding whatever, exempted from the jurisdiction of the Courts of the Moonsiffs, in the Territories subject to the Presidency of Fort William in Bengal.

VIII.—And it is hereby enacted, that persons invested with the powers of Moonsiff shall be competent to receive, try, and determine suits of every description under the restrictions as to local jurisdiction and value of property mentioned in Clauses, 1, 2 and 3, Section 5, Regulation V. 1831. Provided, however, that no Moonsiff shall try any suit, in which he himself, or any of his relatives, or dependants, or any of the Vakeels or Officers of his Court shall be a party.

IX.—And it is hereby enacted, that in cases, where by reason of the above Section, a Moonsiff cannot try a suit because he himself, or any of his relatives, or dependants, or any of the Vakeels or Officers of his Court is a party to the suit, it shall nevertheless be competent to the Moonsiff to receive the suit, and forward it to the Judge of the Zillah to which he is subordinate, who may thereupon refer the same for trial and decision to any other Moonsiff of the District.

ACT No. VI. OF 1843.

Passed by the Hon'ble the President of the Council of India in Council, on the 21st of April 1843, with the assent of the Right Hon'ble the Governor General of India.

An Act for amending the Law concerning the jurisdiction and procedure of the Courts of Ameens and Moonsiffs.

I.—In modification of Clause 4, Section 18, Regulation V. of 1831, Bengal Code, it is hereby enacted, that in the trial and decision of all original Suits referred to them by the Judge, the Principal Sudder Ameens shall be guided by the rules established for the conduct of business in the Courts of the Zillah and City Judges.

II.—And it is hereby enacted, that the provisions of Section 4, Act No. XXV. of 1837, in respect to appeals from decisions passed by Principal Sudder Ameens, in Suits of the nature specified therein, be extended to all interlocutory orders passed by those Officers in such Suits.

III.—And it is hereby enacted, that such parts of Regulation XXIII. 1814, as prohibit the Sudder Ameens and Moonsiffs from requiring security from defendants; or from attaching their property in cases pending before them; or from realizing fines imposed by them without first obtaining the sanction of the Zillah Judge, be repealed.

IV.—And it is hereby enacted, that it shall be competent to the Sudder Ameens and Moonsiffs to demand security from the defendant, under the provisions of Sections 4 and 5, Regulation II. 1806, in cases pending before them; and also to proceed, without reference to the Zillah Judge, to the realization of fines imposed by them, provided that all orders passed by the Sudder Ameens and Moonsiffs under this Section, be subject to an appeal to the Zillah Judge.

V.—And it is hereby enacted, in modification of Section 22, Regulation V. of 1831, that decrees passed in the Courts of the Judge or Principal

Sudder Ameens, in cases of appeal from the decisions of the Sudder Ameens or Moonsiffs, shall be executed by the Courts in which the original decisions were passed, under the general rules prescribed for the execution of decrees passed by those Courts—applications for the execution of such decrees shall be presented, together with a certified copy, of the decree of the Judge or Principal Sudder Ameen to the Court of original jurisdiction. In appeals from the orders of the Moonsiff or Sudder Ameen in such cases the decision of the Zillah or City Judge shall be final.

VI.—And it is hereby enacted, that Clause 2, Section 13, Regulation XXIII. 1814, and Clause 4, Section 5, Regulation V. 1831, be repealed.

VII.—And it is hereby enacted, that no person whatever shall, by reason of place of birth, or by reason of descent, be in any Civil proceeding whatever, exempted from the jurisdiction of the Courts of the Moonsiffs, in the Territories subject to the Presidency of Fort William in Bengal.

VIII.—And it is hereby enacted, that persons invested with the powers of Moonsiff shall be competent to receive, try, and determine suits of every description under the restrictions as to local jurisdiction and value of property mentioned in Clauses, 1, 2 and 3, Section 5, Regulation V. 1831. Provided, however, that no Moonsiff shall try any suit, in which he himself, or any of his relatives, or dependants, or any of the Vakeels or Officers of his Court shall be a party.

IX.—And it is hereby enacted, that in cases, where by reason of the above Section, a Moonsiff cannot try a suit because he himself, or any of his relatives, or dependants, or any of the Vakeels or Officers of his Court is a party to the suit, it shall nevertheless be competent to the Moonsiff to receive the suit, and forward it to the Judge of the Zillah to which he is subordinate, who may thereupon refer the same for trial and decision to any other Moonsiff of the District.

ACT. No. VI. OF 1843.

Passed by the Hon'ble the President of the Council of India in Council, on the 21st of April 1843, with the assent of the Right Hon'ble the Governor General of India.

An Act for amending the Law concerning the jurisdiction and procedure of the Courts of Ameens and Moonsiffs.

I.—In modification of Clause 4, Section 18, Regulation V. of 1831, Bengal Code, it is hereby enacted, that in the trial and decision of all original Suits referred to them by the Judge, the Principal Sudder Ameens shall be guided by the rules established for the conduct of business in the Courts of the Zillah and City Judges.

II.—And it is hereby enacted, that the provisions of Section 4, Act No. XXV. of 1837, in respect to appeals from decisions passed by Principal Sudder Ameens, in Suits of the nature specified therein, be extended to all interlocutory orders passed by those Officers in such Suits.

III.—And it is hereby enacted, that such parts of Regulation XXIII. 1814, as prohibit the Sudder Ameens and Moonsiffs from requiring security from defendants; or from attaching their property in cases pending before them; or from realizing fines imposed by them without first obtaining the sanction of the Zillah Judge, be repealed.

IV.—And it is hereby enacted, that it shall be competent to the Sudder Ameens and Moonsiffs to demand security from the defendant, under the provisions of Sections 4 and 5, Regulation II. 1806, in cases pending before them; and also to proceed, without reference to the Zillah Judge, to the realization of fines imposed by them, provided that all orders passed by the Sudder Ameens and Moonsiffs under this Section, be subject to an appeal to the Zillah Judge.

V.—And it is hereby enacted, in modification of Section 22, Regulation V. of 1831, that decrees passed in the Courts of the Judges or Principal Sudder Ameens, in cases of appeal from the decisions of the Sudder Ameens or Moonsiffs, shall be executed by the Courts in which the original decisions were passed, under the general rules prescribed for the execution of decrees passed by those Courts—applications for the execution of such decrees shall be presented, together with a certified copy of the decree of the Judge or Principal Sudder Ameen to the Court of original jurisdiction. In appeals from the orders of the Moonsiff or Sudder Ameen in such cases the decision of the Zillah or City Judge shall be final.

VI.—And it is hereby enacted, that Clause 2, Section 18, Regulation XXIII. 1814, and Clause 4, Section 5, Regulation V. 1831, be repealed.

VII.—And it is hereby enacted, that no person whatever shall, by reason of place of birth, or by

reason of descent, be in any Civil proceeding whatever, exempted from the jurisdiction of the Courts of the Moonsiffs, in the Territories subject to the Presidency of Fort William in Bengal.

VIII.—And it is hereby enacted, that persons invested with the powers of Moonsiff shall be competent to receive, try, and determine suits of every description under the restrictions as to local jurisdiction and value of property mentioned in Clauses, 1, 2 and 3, Section 5, Regulation V. 1831. Provided, however, that no Moonsiff shall try any suit, in which he himself, or any of his relatives, or dependants, or any of the Vakeels or Officers of his Court shall be a party.

IX.—And it is hereby enacted, that in cases, where by reason of the above Section, a Moonsiff cannot try a suit because he himself, or any of his relatives, or dependants, or any of the Vakeels or Officers of his Court is a party to the suit, it shall nevertheless be competent to the Moonsiff to receive the suit, and forward it to the Judge of the Zillah to which he is subordinate, who may thereupon refer the same for trial and decision to any other Moonsiff of the District.
